From the Board of Directors...

Dan Cantine is our new PROGRAM DIRECTOR. His office is located in the Club across the hall from the AA room. Stop by and say "hi", see what he is up to. He encourages people to buy Club memberships.

If you are looking for some "rockin'" service work, check out the RECOVERY RALLY committee. Their next meeting is April 7th at 6:00 p.m.

Are you concerned about the 12-24 Club's well-being? Ask how to help by talking to a member of the Board of Directors and let us hear your ideas! We are here for you!

The Board meets every third Tuesday of the month at 6:30. If you have questions or issues, please join us or ask a current board member.

From the Manager...

Thank you for all your support through the cold winter months. Spring has sprung once again and we are serving up some awesome lunch specials. Please come on in and try some! A lot of the specials are family recipes that have been handed down through the years and include some great comfort food!

There are some new faces in the kitchen; please give them a warm welcome. If you have any questions or comments please feel free to stop in and see me. Our operation counts on you; support our club so we can continue to support the newcomer.

Our membership board has been updated, so have a look to verify

that our records match yours; please see Tracey, the Club Bookkeeper if there are inconsistencies.

Remember that we are now accepting credit and debit cards for your added convenience. Anything you can purchase in the café may be paid in this manner, to include: memberships, food, coins, etc.

Look for our summer BBQs to start up again. They were a big hit last summer and the kitchen staff are looking forward to another fantastic summer outside.

Please don't forget to adhere to our lease with the school district by "Smoking on the North side of the building ONLY."
